Mass - stated
on return to his valleys

People are friendly -
Deal on basis of equality -
Deal on basis of reciprocity.
Honesty + candor

Great Wall for War -
Total (Military, Economic
Intell Operations
since W. II
Korean War)

① We have differences -
Understanding must be based on mutual self interest -

② Contract is as good as will of parties to keep it.
We will honor our agreements -

③ We will do more than we say -

④ To take advantage of ~~foot~~ fine print is
short range gain - long term loss -

Chair:

We are 22 years old - you are 200 years old

① Inca more ancient than China.

Economic expansion inevitably leads to military expansion.

1 - We do not fight States because of ideology -
but on basis of their policy toward us.

② We must not end U. S. in way which
will undermine confidence in U.S. around world

3. You see America as extremely materialistic -
- We are on other but extremely (naively idealistic)

① We thought economic aid would
be followed by political program -

② only true in Europe + Japan -

③ Need for political structure to use the aid.

4. Soviet reached out its hands - caused U.S. to
reach out its hands - (got them loose for our lifelines).

④ Our restraint when we ~~were~~ had Nuclear Monopoly

China must not be carved up again

① and small nations (Somalia) Israel have
right to exist.

Chair - "Throwing a Ping Pong ball has thrown Soviet into
consternation."

Campaign against success of visit -

① People - limit - count people -

② Against:

① Political Parties

Press +
politics

② Soviet Parties

③ Far Right Parties

④ Indian parties

all have reputation in Press, Media, Radio, ^(anyway) ~~Bar~~, ~~Bar~~
But people will prevail -

Chou "We dare to use young people"

Q Mystery - "we fear what we do not know"

China - how suffered - developed since strength
- largeness of spirit.

Q ① Learn more from defeat than victory
c. Defeat is clutch

↳ We believe progressively in balancing forces
to prevent war -

① They do so - but must appear not
to be abandoning principles

July - Chou - "our ^{Mao's} meeting will shake the world"

N - Japan -

Don't say "we oppose rearmament of Japan"

① We oppose Nuclear Japan -

② As long as we have influence we
can discourage Japan "Reading out into
Korea or Taiwan - or China"

Korea - it takes 2 to make peace -

① N. Korea has been aggressive (E.C. 121)

② If it happens again - we will react

Nuclear:

Soviet attempt = to "Lasso" the long
Nuclear disarmament controls!

- ① Stronger always try to ~~have~~
a ~~treaty~~ freeze weaker into
permanent ~~of~~ inferior position.

Phases:

Turn a page in history -
Turmoil under heaven -

{ Like a Chin man
satisfied but not
satiated.

Chen
Touss

"although we are separated by ~~so~~ vast
Pacific Ocean - Friendship links our
two peoples together -"

1. Peoples with different ~~philosophy~~ & specific views
could ~~outlook~~, can be friends.

@ We compete ~~for~~ with our friends.
vigorously - ~~amicably~~.

"We hope this new era will be
approached in a new spirit!"

What they want:

1. Build up their world credentials -
2. Taiwan
3. get U.S. out of Asia -

What we want:

1. Indo China (?)
2. Communism - to restrain Chinese expansion in Asia -
3. In Future - Reduce threat of confrontation by China Super Power

What we both want:

1. Reduce danger of competition + conflict.
2. A more stable Asia -
3. A restraint of an U.S.S.R.

Touss We speak for our Nation - & peoples - proudly -

We speak to the world - its hopes for a better life.

& China can be a strong, as rich as it wants to be.

Change -

1. we live in period of change -
shall we be destroyed by it - or shall we master it.

Japan ready for take off economically

1. can't expect dynamic, proud, ~~free~~ humiliated people - to be economic giant & military power.

2. Best to provide ^{shield} ~~security~~ shield -

1. To keep Japan from building its own.
2. To have influence for U.S.

① We oppose Japan "stretching out its hands" to Korea, Taiwan, Indochina -

② But if we don't have a treaty - our remuneration would be like "empty cannon".

③ "Wild Horse" - would not be controlled -

Soviet:

① Try to "free its hand" in Europe & Mideast to concentrate elsewhere -

② Want U.S. hand to be tied down in V. Hon.

2. If U.S. becomes isolationist - "withdraw" from Asia eq - Soviet will fill the vacuum

H - AM - man of power
+ mag v Intellectuals -

Mao v. U.S. - why?

1. Inferior (Criminally, mentally & Superior)
2. Slave for Master
3. Boor for Rish
4. Crude for genteel
5. Conqueror for conqueror.
6. Strange for foreign. (barbarians)

Treat him (as Emperor)

1. Don't quarrel
2. Don't praise him (too much)
3. Don't praise the people - art, music
4. Praise poems.
5. Love of Country -

China -

- ① Must not be "too grim" -
- ② Individualist.

Mao - in RA - : Is he?

① What is he like inside?

@ Strong -

Decisive -

Spartan -

Evil

Q. Is he strong so that I must respect him - or weak so that I can attack him?

Q. Does he have determination + ~~shrewdness~~ shrewdness?

Q. Is Communism Culture? Sturdy or weak?

Guerrilla - v Organized City Bureau Military.

Peasants - v City.

Volunteerism v Bureau.

Decentralization v Central Control

- Constantly tried to reinvigorate the revolutionary spirit among young

① Paid price in blood to "cleanse" the bureau

Mao

Crude - Cruel Humor -
Cunning + force
Lusty living -
Mystical happenings.

Novels:

Unlike our Westerns which stress courage, honor
His heroes use guile + artifice + deceit.

① Made heroes of the villains in China Victory.

Believe U.S. has degenerated.

1. That we are withdrawing from Asia.

2. Note G 5 (Read Feb 9 -)

① Does not like a man who
says one thing and does another.

3. Enjoys direct intellectual scuffle

Encouraged greater freedom in Bloc countries
to embarrass Soviet.

Appeared Peaceful Cooperator.

Russian off beats:

1. '56 ^{Beautiful Cooperator} ~~Attacked~~ Stalin (didn't inform him)

2. '59 - Cut off Nuclear assistance

K's visit to Peking + attack -

Support of India in border dispute.

3. '58 - failure to support in Quemoy Matter -

① How else? -

4. '60 - full break when K refused withdrawal

Technical aid during Sino-Soviet
crisis caused by Great Leap forward

Believe struggle not harmony is
way to progress

Anti Intellectual elite (sends to farms)

Anti Bureaucracy (thwarts initiatives - make
people dependent on organized superior)

But distrusts peasant initiative (can be manipulated
by better educated)

Favors collectivization in sense that he
equates individualism ...

But believe in self reliance
and individual effort

Chou - Oct

(5)
Futures of
deputations

We do not trade in principles -

We have shaken the world -

We have started a revolution in world affairs.

Conservative (Heath - R.M.) make great changes.

Beaumonts are similar in every country - (of Disraeli)

^{mao} Left in form but right in essence

You dare to use young people

Avoid Opportunism - be for
principle.

They have little time - (age)

Firm on principle - flexible on detail.

Paint perspective on each issue -

We will make moves in our self interest.

can because we are reliable -

1. Will tell you nothing I can't

and produce. Will do more than say

Don't protect good will and friendships.

1. If we would like to be friends

But our interests bring us together

not our friendships.

Sato
This deal will chisel off ~~the~~ stage of
history by their own people.

① Can't therefore be "generation of Peace".

"Down with Imperialism" may be an empty
slogan but it also has a rallying effect -
